

Become an "NGA Friend of Excellence" Support Excellence in Guardianship Through Education

Your \$250 Friend of Excellence contribution will sustain the National Guardianship Association's efforts to promote excellence in guardianship through our educational programs. Support NGA because you are a member of the profession, or possibly a guardian has helped your family, or perhaps you truly believe in the cause for other reasons. Companies and organizations contribute because they serve the nation's guardians, conservators and fiduciaries or have interests related to guardianship and surrogate decision-making. Each \$250 donation does make a difference!

How Do Friends of Excellence Help?

Your contribution of \$250 helps cover costs for this year's Conference, Colloquium, and webinars. Donations from Friends of Excellence benefit all those who participate in NGA training because every bit of additional income helps the association to keep registration fees at a level that allows more people to take part in great learning and networking experiences. By supporting NGA's comprehensive and value-inspired education, you demonstrate to the guardianship community that you care.

With guardianship under increasing scrutiny, it is especially important for all practitioners to be able to afford to take advantage of educational opportunities targeted to their needs.
